

6.3 The causes and impacts of international migration

1 Match the definition, a–c, with the key term, 1–3.

- | | |
|---------------------------|--|
| 1 push factor | a The involuntary movement of people away from their home usually as a result of conflict or persecution. |
| 2 remittances | b Negative factors that encourage or force people to move from a place. |
| 3 forced migration | c The money or goods that migrants send back to families and friends in origin countries. |

2 Copy and complete Table 6.3 by sorting the factors for migration into push factors or pull factors.

Factor	Push or pull factor?
war and conflict	
lack of education opportunities	
better job opportunities	
natural disasters	
access to healthcare	

SELF-ASSESSMENT CHECKLIST

Let's revisit the knowledge focus and exam skills focus for this topic.

Decide how confident you are with each statement.

Now I can	Show it	Needs more work	Almost there	Confident to move on
Give reasons for population growth and decline	State three reasons a country may experience falling birth rates.			
Describe and explain changing population structures	Explain why a country may experience an ageing population.			
Explain the causes and impacts of migration	Explain the impacts of migration on a country of origin you have studied.			
Understand the command	Answer a 'calculate' question confidently,			

Now I can	Show it	Needs more work	Almost there	Confident to move on
word 'calculate'	such as 'Calculate the natural increase for a country that has a crude birth rate of 7 and a crude death rate of 12.'			
Understand the command word 'define'	Answer a 'define' question confidently, such as 'Define crude death rate.'
