EXAM SKILLS FOCUS

In this topic you will:

- show that you understand the command word 'evaluate' and answer an 'evaluate' question
- show that you understand the command word 'state' and answer a 'state' question.

The command word 'evaluate' means to judge or calculate the quality, importance, amount or value of something. 'Evaluate' questions assess your ability to make reasoned judgements by

analysing information, weighing up evidence and forming a conclusion.

The command word 'state' means to express in clear terms. 'State' questions are checking your ability to recall, select and communicate knowledge and understanding in a straightforward manner. 'State' questions typically require brief and direct answers.
